3Q and 9M 2021 Highlights

Stable performance

- Operations remained stable at Ixom and City Gas, while Basslink achieved 99.8% availability
- Increased utilisation rate at Philippine Coastal with commencement of new contracts
- KMC and concession assets fulfilled contractual obligations

Ongoing strategic review to drive performance and growth, as well as enhance focus on sustainability

9M EBITDA

S\$295.3m¹

3.8% higher than S\$284.5m in 9M 2020

9M FCFE

S\$145.4m

8.3% lower than S\$158.5m in 9M 2020

Low gearing

30.3%

Comfortable debt headroom to pursue growth opportunities

Continued strong performance at Ixom with healthy demand across various segments

Acquisition of the remaining 30% stake in the SingSpring Desalination Plant expected to be completed in 4Q 2021

1. Excludes one-off acquisition related cost for Ixom's acquisition of ABP (S\$4.7m), Basslink's arbitration provision (S\$22.8m) and the impairment loss on Ixom's assets in relation to the cessation of operations of a long-term customer (S\$19.3m).

An aerial photograph of a large industrial facility, likely a gas processing plant. The image shows a complex network of pipes, walkways, and storage tanks. In the background, two large white spherical storage tanks are visible. To the right, there are several large cylindrical storage tanks, some with labels like 'TK 1201' and 'TK 1202'. The foreground is filled with intricate piping and smaller tanks. A blue semi-transparent arrow graphic points from the left towards the center of the image. The text 'Business Updates' is overlaid on the left side of the image.

Business Updates

City Gas

KIT

KEPPEL
INFRASTRUCTURE
TRUST

Distribution & Network

Operational Cash Flows (OCF) (\$\$m)

City Gas

- Customer base grew 1% YoY to 873,000 as at end-Sep 2021
- Residential consumption of town gas remains healthy while Commercial & Industrial consumption remains below pre COVID-19 levels
- Tariff under-recovery due to rising oil prices

Ixom

- Continued strong performance: Healthy demand from the construction, mining, dairy, as well as the water treatment segments
- Continues to explore bolt on acquisitions to achieve growth

Philippine Coastal

- Utilisation rate improved from 66.4% as at end-Jun 2021 to 75.4% as at end-Sep 2021 with the commencement of two new contracts
- Demand expected to improve as the Philippines economy recovers gradually from COVID-19

Basslink¹

- Achieved 99.8% availability and the Commercial Risk Sharing Mechanism was positive at 9.9% for 9M 2021
- Remains current on debt payments and has maintained contractual obligations under the project financing

1. KIT is not dependent on Basslink's cash flows for distributions.

Energy and Waste & Water

Keppel Merlimau Cogen Plant

- Achieved 99.9% contracted availability in 9M 2021 compared to 98.8% in 9M 2020
- KMC has no tariff exposure to the Singapore wholesale electricity market and has no exposure to fluctuations in fuel oil prices
- Benefit from lower interest rates, following the achievement of pre-set carbon emission targets as part of the 7-year S\$700 million sustainability-linked loan

Senoko and Tuas WTE Plants, Ulu Pandan NWater Plant and SingSpring Desalination Plant

- Fulfilled contractual obligations and operations remained stable
- Acquisition of the remaining 30% stake in the SingSpring Desalination Plant: Pending regulatory approval and is expected to be completed in 4Q 2021

1. Comprises Trust expenses and distribution paid/payable to perpetual securities holders, management fees and financing costs

Balance Sheet

Balance Sheet (S\$'m)	As at 30 Sep 2021	As at 31 Dec 2020
Cash	599	581
Borrowings	2,139	2,161
Net debt	1,540	1,580
Total assets	5,077	4,930
Total liabilities	3,407	3,435
Annualised Group EBITDA	394 ^{1,2}	376 ³
Net gearing	30.3%	32.1%
Net debt / EBITDA	3.9x	4.2x

1. Excludes one-off acquisition related cost for Ixom's acquisition of ABP (S\$4.7m), Basslink's arbitration provision (S\$22.8m) and the impairment loss on Ixom's assets in relation to the cessation of operations of a long-term customer (S\$19.3m). Annualised Group EBITDA is S\$347.2m without the adjustments.
2. Includes annualized share of profits from Philippine Coastal, based on equity accounting
3. Excludes one-off acquisition related cost incurred for Ixom's acquisition of Medora (S\$0.8m), Ixom divestment of Latin America and China Life Science businesses (S\$16.7m) and Basslink's arbitration provision (S\$76.2m). Group EBITDA is S\$282.3m without the adjustments.

Capital Management

- Issued S\$600m perpetual securities (classified as equity) as part of the S\$2b Multicurrency Debt Issuance Programme to refinance borrowings, fund potential acquisitions and asset enhancement works
- Proactively manage interest rate exposure: ~89% of loans hedged
- Mitigate impact of currency fluctuations: 87.5% of foreign distributions hedged
- Weighted average interest rate: 3.6%
- Weighted average term to maturity: 2.5 years¹

Debt Repayment Profile

Debt Breakdown by Currency

Loan Profile	Amount (\$m)	Maturity/ Call Date	Repayment
Basslink	A\$625.8	Oct 2021	Amortising ²
KIT	S\$100.0	Feb 2022	Bullet ³
Ixom	A\$535.9	Feb 2024	Bullet ³
SingSpring	S\$26.3	Dec 2024	Amortising
City Gas	S\$178.0	Feb 2026	Bullet ³
KMC	S\$700.0	Jun 2027	Amortising ³

1. Excluding the Basslink loan, weighted average term to maturity would be 3.4 years
2. Following the announcement on 27 Oct 2021, Basslink continues to work with the lenders on the possible options for the loan
3. To be refinanced upon maturity

Commitment to ESG Excellence

SingSpring Desalination Plant

KIT

KEPPEL
INFRASTRUCTURE

Sustainability Framework

Environmental Stewardship

We will do our part to combat climate change, and are committed to improving resources efficiency and reducing environmental impact

People and Community

People are the cornerstone of our business. We are committed to providing a safe and healthy workforce, investing in training and developing our people to help them reach their full potential, as well as uplifting communities whenever we operate

Responsible Business

The long-term sustainability of our business is driven at the highest level of the organization through a strong and effective board, good corporate governance and prudent risk management.

Through Keppel Capital, the Trustee-Manager supports the United Nations (UN) Global Compact as a signatory and adopts the Compact's 10 universal principles, which include human rights, labour, environment and anti-corruption.

Align sustainability approach with nine out of 17 Sustainable Development Goals to ensure that KIT's ESG efforts help address the most crucial sustainability issues globally.

Commitment to ESG Excellence

Environmental Stewardship

Owens two WTE plants with a combined capacity to treat approx. 40% of Singapore's incinerable waste, and diverting waste from landfill

Capable of processing up to **19%** of desalinated water and **36%** of NEWater supply in Singapore

Utilised 359,471 GJ of **renewable energy** in 2020, equivalent to 4.5% of total energy consumption

Responsible Business

Board Gender Diversity

Suppliers undergo rigorous screening criteria which include reputation, track record of service quality, safety and sustainability

Zero tolerance for corruption

People and Community

Provide a fair and inclusive work environment that drive innovation and business value

Implement fair and equal human resource best practices, as well as adopt a zero-tolerance discrimination policy

Engage with local communities to promote environmental stewardship

Driving Sustainable Growth

KIT's strategic goal is to deliver sustainable returns to its Unitholders, through a combination of recurring distributions and capital growth over the long term

Anchored

By a growing portfolio of strategic businesses and assets across a broad range of highly defensive industries

Benchmarks

Long-term, mature
and defensive cash
flows

Creditworthy off-
takers and/or a
large, diversified and
stable customer base

Jurisdictions with
well-developed legal
frameworks

High barriers to entry
with a dominant or
leading market
position

Provider of essential
products or services
with potential for
long-term growth

Portfolio Overview

			Description	Customer and contract terms	Primary source of cash flows
Distribution & Network	City Gas Singapore		Sole producer and retailer of piped town gas	Over 860,000 commercial and residential customers	Fixed margin per unit of gas sold, with fuel and electricity costs passed through to consumer
	Ixom Australia		Industrial infrastructure business in Australia and New Zealand, supplying and distributing key water treatment chemicals, as well as industrial and specialty chemicals	Over 8,000 customers comprising municipalities and blue-chip companies	Payments from customers for delivery of products and provision of services based on agreed terms.
	Basslink Australia		Basslink subsea interconnector that transmits electricity and telecoms between Victoria and Tasmania in Australia	Service agreement with Hydro Tasmania (owned by Tasmania state government) until 2031, with option for 15-year extension	Fixed payments for availability of Basslink subsea cable for power transmission
	Philippine Coastal Philippines		The largest petroleum products storage facility in the Philippines, located in the tax-friendly Subic Bay Freeport Zone	Blue-chip customers	USD-denominated “take-or-pay” contracts with no direct exposure to petroleum price and volume risk
Energy	Keppel Merlimau Cogen Singapore		1,300MW combined cycle gas turbine power plant	Capacity Tolling Agreement with Keppel Electric until 2030 with option for 10-year extension (land lease till 2035, with 30-year extension)	Fixed payments for meeting availability targets
Waste & Water	Senoko WTE Plant Singapore		Waste-to-energy plant with 2,310 tonnes/day waste incineration concession	NEA, Singapore government agency - concession until 2024	Fixed payments for availability of incineration capacity
	Tuas WTE Plant Singapore		Waste-to-energy plant with 800 tonnes/day waste incineration concession	NEA, Singapore government agency - concession until 2034	Fixed payments for availability of incineration capacity
	Ulu Pandan NEWater Plant Singapore		One of Singapore's largest NEWater plants, capable of producing 148,000m ³ /day ⁽¹⁾	PUB, Singapore government agency - concession until 2027	Fixed payments for the provision of NEWater production capacity
	SingSpring Desalination Plant Singapore		Singapore's first large-scale seawater desalination plant, capable of producing 136,380m ³ /day of potable water	PUB, Singapore government agency - concession until 2025 (land lease till 2033)	Fixed payments for availability of output capacity

1. Keppel Seghers Ulu Pandan has an overall capacity of 162,800m³/day, of which 14,800m³/day is undertaken by Keppel Seghers

This presentation is strictly confidential to the recipient, may not be reproduced, retransmitted or further distributed to the press or any other person, may not be reproduced in any form and may not be published, in whole or in part, for any purpose to any other person with the prior written consent of the Trustee-Manager (as defined hereinafter). This presentation should not, nor should anything contained in it, form the basis of, or be relied upon in any connection with any offer, contract, commitment or investment decision whatsoever and it does not constitute a recommendation regarding the Units.

The past performance of KIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be "forward-looking" statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar businesses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business. Such forward-looking statements speak only as of the date on which they are made and KIT does not undertake any obligation to update or revise any of them, whether as a result of new information, future events or otherwise. Accordingly, you should not place undue reliance on any forward-looking statements.

Prospective investors and unitholders of KIT ("Unitholders") are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel Infrastructure Fund Management Pte. Ltd. (as trustee-manager of KIT) ("Trustee-Manager") on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. The information is subject to change without notice, its accuracy is not guaranteed, has not been independently verified and may not contain all material information concerning KIT. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, KIT, the Trustee-Manager or any of its affiliates and/or subsidiaries. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Trustee-Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.

The information contained in this presentation is not for release, publication or distribution outside of Singapore (including to persons in the United States) and should not be distributed, forwarded to or transmitted in or into any jurisdiction where to do so might constitute a violation of applicable securities laws or regulations.

This presentation is not for distribution, directly or indirectly, in or into the United States. No Units are being, or will be, registered under the U.S. Securities Act of 1933, as amended ("Securities Act"), or the securities laws of any state of the U.S. or other jurisdiction and no such securities may be offered or sold in the U.S. except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any applicable state or local securities laws. No public offering of securities is being or will be made in the U.S. or any other jurisdiction.
