Acquisition of 75% Interest in Top Ryde City Shopping Centre, Strategic Expansion into Retail Sector

- A high-quality, well-established regional shopping centre focused on non-discretionary retail
- Strategically located along Devlin Street, part of Sydney's A3 arterial route connecting northern and southern Sydney
- Diversification into retail to **enhance portfolio stability and resilience**:
 - ✓ Retail assets continue to offer attractive yields
 - ✓ Capitalise on rising spending and population growth
 - ✓ Suburban retail supported by essential spending, provides resilience and strong growth potential
- Purchase consideration of **A\$393.8m / S\$334.8m¹ (A\$6,813 psm)**
- Fully leased initial property yield of **6.7%** and **1.53%¹** accretion to pro forma adjusted DPU
- The enlarged portfolio remains **Singapore centric** and **office-focused**
- Completion is expected to take place by 1Q 2026

(1) Based on FY 2024 DPU and assuming: (a) the Acquisition was completed on 1 January 2024; (b) 25% of management fees for FY 2024 were paid in cash; and (c) based on the issue price of \$0.983 per unit for the private placement. Assuming 100% of management fees for FY 2024 were paid in units, pro forma DPU accretion would be 1.25%.
