

## APPOINTMENT OF NEW US ASSET MANAGER

KORE US REIT Management Pte. Ltd. (the “**Manager**”) (formerly known as Keppel Pacific Oak US REIT Management Pte. Ltd.), as manager of KORE US REIT (“**KORE**”) (formerly known as Keppel Pacific Oak US REIT), refers to its announcement titled “Updates on Certain Developments Relating to US Asset Manager and a Substantial Unitholder”, dated 3 February 2026.

The Manager wishes to update that it has entered into a new asset management outsourcing agreement (“**Transwestern Management Agreement**”) with Transwestern Investment Group, L.L.C., (“**Transwestern**”). Established in 1978, Transwestern is a privately held, fully integrated real estate enterprise with long-standing expertise across investments, asset management, leasing, property management and development. Supported by a long-tenured leadership team, Transwestern operates through a nationwide platform that includes 33 US offices and 2,200 professionals delivering investment management, development, and real estate services across diverse commercial sectors.

The same asset management team that had been supporting KORE will continue providing asset management services under the new Transwestern Management Agreement. Transwestern is also KORE’s appointed property management service provider for the majority of the assets in KORE’s portfolio and has an established presence in all of KORE’s markets. This continuity of asset management personnel, together with Transwestern’s track record and familiarity with KORE’s assets and processes, is expected to support a seamless transition of the asset management functions.

The Manager remains focused on further strengthening KORE’s operations, underpinned by a diversified portfolio in key US growth markets and a disciplined capital management approach.
