The Board of Directors of Keppel Infrastructure Fund Management Pte. Ltd. Assuming (i) the occurrence of the Change of Control Event and/or the Mandatory Prepayment Event, and (ii) that such occurrence would cause a cross default under other borrowings of KIT and its subsidiaries, the aggregate level of facilities that may be affected is, as at the date of this announcement, approximately S\$1,560 million (excluding interest and fees).

As at the date of this announcement, neither the Change of Control Event nor the Mandatory Prepayment Event has occurred.
